AGREEMENT

I am/am not happy, in principal for my dog(s) to be co-boarded with other dog(s) (including any resident dog).

Where dogs are being co-boarded a documented familiarisation visit will be carried out, if required.

If you do not want your dog(s) to be co-boarded (or only boarded with the residential dog) an additional fee will be charged, which will be set at the initial home visit.

Where a Board is cancelled outwith 30 days of the Board start date, a cancellation fee of £50 (or full board fee if less) is payable. Within 30 days, the fee payable is £100 (or full board fee if less).

I have read and accept the terms, conditions and guidelines pertaining to the services provided by Lomond Home & Pet Care and confirm relevant insurance, vaccinations etc. are valid.

I confirm the particulars given by me on this form are true and are complete to the best of my knowledge and belief.
